

Admission Process @ Kunskapsskolan International

Registrations are now OPEN for all Grades (except Grade X)

Kunskapsskolan believes that each child is different and can achieve more than they thought possible if their uniqueness is recognized and they are given the opportunity to explore it.

Our admission policy adheres to this core value in spirit and promotes a heterogeneous student community. Personalized education through the renowned KED Program with the student at the core will create learners who are ready to face the challenges of a modern dynamic society and environment.

The Management and staff share the collective vision - To empower every student to master the challenges of today and shape the world of tomorrow so that they may contribute to creating a better society.

For the Pre-Primary Admission, the following criteria of admission will be followed:-

- There will be no interviewing or screening of children or their parents.
- The whole process will be fair, non-discriminatory and transparent based on first come first basis.
- Admission will be based on the information provided at the time of registration and will have to be corroborated with documents attached with the form when submitted.

For Grade 1 onwards Admission, the following criteria of admission will be followed:-

- There will be Grade level readiness assessment for the child from Grade 1 onwards.
- The whole process will be fair, non-discriminatory and transparent based on first come first basis.
- Admission will be based on the information provided at the time of registration and Grade level readiness results will have to be corroborated with documents attached with the form when submitted.
